In Britain you buy sweets when you want to cheer yourself up but in America you go to get some candy. This exercise looks at some of the differences in vocabulary between British and American English. Exercise 1

Differences between British English and American English ...

In a simpler world, English would be written the same way everywhere. However, when Noah Webster set out to create an American English dictionary in the early 1800s, he did more than just add new words to British English: he also revised the spelling of many common words to eliminate what he saw as unnecessary letters.
